The information, as provided, is for reference only and should not be interpreted as complete, nor should it be considered legally binding. Coordination with both your state and the destination state plant regulatory agency listed above may be necessary to stay up-to-date on revised requirements.

NURSERY STOCK DEFINITION

All trees, shrubs, plants and vines and parts thereof, annuals, biennials, perennials, vegetables, fruit, forage and cereal plants and all other plant cuttings, grafts, scions, buds, bulbs and roots.

GENERAL SHIPPING REQUIREMENTS

Any nursery stock shipped into New York must have an unexpired inspection certificate, issued by an authorized official from the state of origin attached to each package signifying that the contents appear to be free from all injurious plant pests. Addresses of the consignor and the consignee shall be included along with a list of varieties of nursery stock and a statement that the contents are alive and vigorous.

NOXIOUS WEEDS

The introduction of noxious weeds is prohibited; referring to any living stage of any parasitic or other plant of a kind which is of foreign origin, is new to or not widely prevalent, and can directly or indirectly injure crops, other useful plants, livestock or poultry or other interest of agriculture.
