

FY2024 United States Federal Budget Timeline

Budget Support work for Current Fiscal Year includes preparations for two fiscal years in advance

Note:

This flowchart presents the entire Federal Budget Timeline from start to finish. However, all three phases (Formulation, Justification, and Allocation) occur each year. For example: In FY24, the Federal Government will simultaneously process the Formulation for the FY26 budget, the Execution for the FY24 budget and the Justification for the FY25 budget.
